

Notice of Motion Form
2022/23 Season

MOTION NUMBER	22-003
PROPOSED BY	Denis Golinski, Rochedale South Cricket Club Inc.
REGARDING	Regulation 8.1.6
PROPOSAL	Amend Regulation 8.1.6
EXISTING PROVISION	Players must wear cricket shoes with full metal spikes while bowling.
PROPOSED CHANGES	Players must wear cricket shoes with full metal spikes while bowling, batting or wicketkeeping.
COMMENT	We are finding that the grass around the creases at either end is burning and difficult to rejuvenate. We believe that the players mostly in these areas are not just the bowlers. The rule should apply to the Batsman & Wicketkeeper.
