

Umpires Meeting 20-Sep-2022

Following on from the Umpires Meeting on Tuesday night, you all should be familiar with these new Playing Regulations and, if you want, feel free to raise 'em with captains before the toss of the coin..

- **Reg 25 for SATURDAY 35 OVER MATCHES ONLY (Not Over 40's or Sunday 50)**

There might be a few words missing in 25.1 and 25.2. See the red parts I have added here. The first innings keeps going to 35 overs (unless 10 wickets fall.)

25 TIME PENALTY FOR FAILING TO BOWL OVERS IN FIRST INNINGS

For Saturday One Day 35 Over Matches

25.1 For matches scheduled to start at 12.30pm, **when** the team bowling first **comes to bat, they** will receive the number of overs bowled including the one in progress at 2.55pm (referred to as the "cut off time".)

25.2 For matches scheduled to start at 1pm, **when** the team bowling first **comes to bat, they** will receive the number of overs bowled including the one in progress at 3.25pm (referred to as the "cut off time".)

25.3 If the team batting first is dismissed in less than 35 overs, before cut-off time the team batting second will be entitled to bat for 35 overs.

25.4 If the team batting first is dismissed in less than 35 overs, after cut-off time the team batting second will be entitled to bat for the number of overs bowled including the one in progress at the cut off time.

25.5 For example if the team batting first is all out after 29 overs before the cut off time then the team batting second will face up to 35 overs.

25.6 For example if the team batting first is all out after the cut off time then the team batting second will face the number of overs completed plus the one in progress at the cut off time.

- Also Super 20 Umpires, please take note of the new version of the **Super 20 Reg 25 Innings Finish Time. This rule is the same - 20 overs in 80 minutes or 6 penalty runs per unstarted over.**
