### Memory Assessment Maddocks Questions

These are the modified 'Maddocks' questions from **Cricket Australia Concussion Guidelines Dec 2023**. (See Appendix D)

First, say to the person who been injured,  
***"I am going to ask you a few questions, please listen carefully and give your best effort."***

- *What happened?*
- *What day is it? What month is it?*
- *What venue are we at today?*
- *What is the current innings score (if on match day)?*
- *Who was the opposition at the last match you played (if during the cricket season)?*
- *Who bowled the ball to you (if blow was from batting at a team training)?*

#### **If the Participant cannot answer the questions satisfactorily...**

they should be **immediately removed from the field of play** (or training environment) and

considered as **'concussion likely'** and

be required to **undertake an assessment from a qualified medical practitioner**.

**(DO NOT MOVE THE INJURED PERSON IF THERE MIGHT BE A SPINAL OR NECK INJURY. CALL AN AMBULANCE.)**
