

# Memory Assessment Maddocks Questions

These are the modified 'Maddocks' questions from Cricket Australia Concussion Guidelines (Dec 2023.)

First, say to the person who has been hit in the head,

***“I am going to ask you a few questions, please listen carefully and give your best effort.”***

***What happened?***

***What day is it? What month is it?***

***What venue are we at today?***

***What is the current innings score (if on match day)?***

***Who was the opposition at the last match you played (if during the cricket season)?***

***Who bowled the ball to you (if blow was from batting at a team training)?***

If the Participant **cannot answer these questions** satisfactorily

The participant should be **immediately removed** \* from the field of play (or training environment) **and**

The participant should be considered as **'concussion likely'** and

The participant should be **assessed by a qualified medical practitioner** as soon as possible.

\* In any case of spinal or neck injury, **do not move the participant**. Call an ambulance.
