

Notice of Motion Form **2025/26 Season**

MOTION NUMBER	NOM 2025-004 Modify Super Bonus Points
PROPOSED BY	Anthony Martin, QSDCA Committee Member
SECONDED BY	QSDCA Management Committee
REGARDING	Super Bonus Points
PROPOSAL	To remove Super Bonus Points.
EXISTING PROVISION	Reg 34.2.6, 34.2.7, 34.2.8 in each of Saturday 35 over games, Saturday 1 day only, Sunday 50, Over 40's competitions.
PROPOSED CHANGES	To remove Super Bonus Points from all competitions. Super Bonus Points are not used in Super 20 or 2 Day cricket.
COMMENT	• Super Bonus Points are difficult to use because PlayHQ requires manual entry by teams. • They cannot be automated like all other forms of match points. • Some teams often do not remember to make their entry. • Other teams do not seem to be aware they even exist. • Occasionally Super Bonus Points are claimed in error. • This requires a time consuming pre-finals audit and adjustment of Super Bonus Points in every grade. • Some teams express disappointment to discover they have missed out on finals because Super Bonus Points have been corrected late in the season. • Very few teams modify their tactics to 'chase' super bonus points.
