

Notice of Motion Form **2025/26 Season**

MOTION NUMBER	NOM 2025-007 Use of Zing Bails and Stumps
PROPOSED BY	Anthony Martin, QSDCA Committee Member
SECONDED BY	QSDCA Management Committee
REGARDING	Use of Zing Bails and Stumps
PROPOSAL	To add some words to Reg 9.3.1 to make use of Zing bails and stumps clearly allowed.
EXISTING PROVISION	Reg 9.3.1
PROPOSED CHANGES	Change Reg 35.8 to match available criteria in PlayHQ.
COMMENT	• The use of appropriate materials <i>was approved</i> at the 2021 AGM and Zing bails and stumps were subsequently approved by a QSDCA Management Committee decision. • An incident may have occurred in season 2024/25 where use of Zing bails and stumps was disputed. • There is obviously some failure of communication that has led to the lack of awareness 4 years onward. • Simply rewording the regulation to say Zing stumps are allowed may lead to trouble when any old toy stumps (which are referred to as Zing by somebody, somewhere) are used. • To avoid confusion the amended rule instructs players and umpires to check with Cricketops <i>which is the same, standard procedure for any interpretation of rules or playing conditions.</i> Any stumps made of a material yet to be approved by the Management Committee can and will receive proper consideration.
