Sunday & Friday Night Games

- Over 40's, MLC50 – Kookaburra Red Senator

- Pink jaffer for all Sunday Super 20 and Friday Night T20.
 - There are some orange jaffers still in stock. Use these in early season Sunday games only until stocks are exhausted.

Balls contd.....

- C3 teams make sure you have some 2p Special Test (using up the stock, C3 team ball costs will be cheaper this year)
- Unused stamped Special Tests or unused stamped Orange Jaffers can be returned for credit at 25/26 prices if in original condition by arrangement. Please contact Bruce Lawson.
- New ball prices are found here. <https://qsdca.com.au/09-fees-and-fines/>
- New ball orders will be open in November for collection at the 7-Dec Delegates Meeting.
- In any competition where the balls may change during the season (Sat C3, Super 20A or B), any one game ****must**** use the same ball in every innings.
- Before the start of any game where this might happen, please make sure both teams have enough new 2p ST's or 4p Senators or pink Jaffers or Orange Jaffers to get through the game.
- DO NOT use pink Jaffer one innings and orange Jaffer in the other innings.
- DO NOT use 2p Special Test in one innings and 4p Senator in the next.
- Pink Senators or Pink Jaffers will be supplied by the Association at the beginning of all Day/Night matches. There is NO need to order these separately. Each team will be billed later for balls used.
